

Dear Community Business,

We are excited to announce the 2022 *Annual Gala de Oro (Golden Gala)*. Event theme: Black and White. We will be celebrating global Latino and Hispanic Cultures. This annual event is an important component of our strategic fundraising plan aimed at galvanizing our community's support and passion for our mission ...

*to empower our Latino families to thrive by creating opportunities
for advancement and building bridges that unite and strengthen us all.*

The Latino Community Association provides critical services that strengthen families in our community who face multiple barriers to accessing services. Our programs help create equity for all Central Oregon families by increasing access to resources and opportunities that help them **thrive**. With a 22 year history of serving Latino families, we have built a network of community organizations, businesses, and volunteers who support our work in providing innovative solutions to our clients' highest priority needs and aspirations. Our efforts positively impact nearly 7,000 people every year.

On April 2, 2022 , we aim to have 200 plus community members join us in support of the Latino Community Association's mission. This will be our 7th Gala (2020 was canceled due to COVID-19) AND we are planning a couple of exciting changes to improve our guests' experience. This year we will be hosting our event at **Eagle Crest Resort**, continuing with our hybrid model (dinner and dance) with one change. The dinner and dance will be held in separate rooms to accommodate both our dinner guests and to attract a larger group of individuals to attend the dance.

We'd like to invite you to invest in the success of the Gala de Oro as one of our treasured auction item donors. If you donated a service or product over the past few years - **MIL GRACIAS!** Your participation as a donor will ensure that every dollar raised goes directly to support our many services including workforce training, citizenship assistance and youth literacy. With the generous support of contributors like you, we will continue transforming the lives of Central Oregon families.

You may donate items right away or pledge your support now and we will pick up your item closer to the date of the gala! We acknowledge our sponsors and donors proudly and publicly, and your contribution will be included in our event program, web-presence, and during the event. We will work with you individually to develop the auction item description to get the best exposure for your business and your product.

We look forward to the opportunity to collaborate with you on this extremely important event.

With great respect and gratitude,

Cynthia L. Jurgensen
